

- (1) is the face amount of this policy, shown in the policy schedule;
- (2) is any insurance on the insured's life provided by riders;
- (3) is the portion of any premium paid for a period beyond the policy month in which the insured's death occurs; and
- (4) is any premium which is due and unpaid for a period from the premium due date to the end of the policy month in which the insured's death occurs.

We reserve the right to require the return of the policy at time of settlement.

## BENEFICIARY PROVISIONS

### Beneficiary

Unless otherwise provided by written notice to us, the beneficiaries are named in the application.

### Change in Beneficiary

During the insured's lifetime, the owner may change the beneficiary designation unless he or she has waived the right to do so. No beneficiary change will take effect until a written notice is received at our administrative office. Such changes will become effective on the date written notice is received by us. All changes will be subject to any payment made by us before notice was received.

### Death of a Beneficiary

Unless otherwise provided in the beneficiary designation:

- 1. the interest of any beneficiary who dies before the insured will pass to any surviving beneficiaries according to their respective interests; or
- 2. if no beneficiary survives the insured, the proceeds will be paid in one sum to the owner, if living; otherwise, to the owner's estate.

## PAYMENT OF PROCEEDS

Any amount payable under this contract will be paid in one sum unless otherwise provided. All or part of this sum may be applied to any payment option. However, options will not be available if:

- 1. the net proceeds are less than \$2,500;
- 2. the amount of each payment is less than \$50;
- or
- 3. in the case of payment option 1, 2 or 3, the payee is not a natural person receiving payment in his or her own right.

Proceeds left with us may be withdrawn by written notice where such right is given. The payment of any withdrawal may be postponed for as long as six months from the date we receive written notice.

We may require evidence of the survival of any Payee before any settlement payment payable to the payee is made.

## ELECTION OF PAYMENT OPTIONS

### By Owner

During the insured's lifetime, the owner may elect any payment option and may change such election if he or she has reserved the right to do so.

If the owner elects a payment option for the beneficiary, the beneficiary may not:

- 1. change or cancel the election;
- 2. assign or transfer the amount held by us; or
- 3. withdraw any future installments or unpaid interest installments unless these rights are granted in the election.

### By Beneficiary

If the owner does not elect a payment option, the beneficiary may do so after the insured's death.

Such election by the Beneficiary:

- 1. must be made before the payment of any Policy Proceeds has been made; and
- 2. shall be effective as of the date of the Insured's death.

### Conditions for Election

Any election or change must be made by written notice to us. No election or change will be effective until we record it.

## PAYMENT OPTIONS

The following sections describe the payment options available under this policy.

### Option 1 - Life Income

We will make equal monthly payments during the payee's lifetime. Payments will end with the last monthly payment before his or her death. The amount of each payment, per \$1,000 of Policy Proceeds, will not be less than that shown in the Option 1 table.

### Option 2 - Life Income With Period Certain

We will make equal monthly payments during the payee's lifetime, with a minimum period guaranteed (60, 120, 180 or 240 months). The amount of each payment, per \$1,000 of Policy Proceeds, will not be less than that shown in the Option 2 table. At the Payee's death, we will continue to pay the balance of the unpaid payments, if any, to the Payee's Beneficiary for the balance of the guaranteed period.

### Option 3 - Joint Life Income

We will make payments for as long as either of two designated persons live. The amount of each payment, per \$1,000 of Policy Proceeds, will not be less than that shown in the Option 3 table.

**Option 4 - Payments for a Fixed Period**

We will make payments for a fixed period. The amount of each payment, per \$1,000 of Policy Proceeds, will not be less than that shown in the Option 4 table. At the Payee's death, we will continue to pay the balance of the unpaid payments to the Payee's Beneficiary.

**Option 5 - At Interest**

The proceeds may be left with us to draw interest. Interest may be paid annually, semi-annually, quarterly, or monthly. The first payment will be made at the end of the interest frequency period chosen. The guaranteed interest rate is 3% a year, compounded yearly. Interest shall not be paid beyond the lifetime of one Payee except with our consent.

**Evidence of Survival**

We have the right to require satisfactory proof of any payee's age. The right to change options is not available after payments commence under this option.

**Automatic Payment Option**

If settlement of the proceeds of this policy is delayed over 30 days, option 5 will be applied automatically. Interest will be paid yearly and the person(s) entitled to the proceeds has the right to withdraw the proceeds or elect any payment option permitted by this policy. The legal rate indicated by the state will be used if it is higher than our declared rate.

**Basis of Values**

The payment option tables are based on 3% interest compounded yearly. For options involving lifetime income, rates in the tables are based on Table "a" mortality rates. We may offer more favorable rates than those determined on this basis.

**Additional Options**

Any proceeds payable under this policy may be paid under any other method of payment agreed to by us at the time of settlement.

## ANNUITY TABLES
